

Bangor Elks #1106
May 2017 Newsletter
Elks Care and Share

A Message from your ER,

Welcome to the beginning of Summer. We will have a condensed version of the Newsletter this month because the Lodge activities have simmered down a bit. Please remember that the lodge hours (listed later in the Newsletter) change on May 1. In addition, the door code changes on May 1. The new door code is listed on the back of your membership card. Please keep in mind that this door code is a privilege to members in good standing and should only be used by the lodge member and not given out to non-members. It is expected that all non-members still be "buzzed into" the lodge by the bartender on duty, unless accompanied by the member. This includes all non-member spouses and friends. Also, all dues should be paid before May 1 in order to continue using the lodge and club facilities. Please remit your dues as soon as possible.

Our Drug Awareness committee has been invited to several community events in May. If you would like to assist with any of these community events, contact myself or Kelly and we will be happy to get back to you.

We are still in need of additional volunteers to run the train at the Borough Park. If you are interested, please email me or call the lodge and we will get back to you. Highway Cleanup has been set for May 13 at 8:00 AM. A sign-up sheet will be available at the lodge if you are interested in assisting with this event. Also, Bangor Borough will hold the annual Memorial Day Service on May 29. Join us at the lodge that morning so we can march together as a group for that service. Bar Bingo on May 20 at 7:00 PM. Kitchen opens at 6:00 PM. Please keep June 17 available on your calendar for our Clam and Jam. More info on this in our June Newsletter.

Bangor Park Train Engineers and Conductors are needed to run the train this summer at Bangor Park. Typical running days are Saturday and Sunday from 1:00 PM until 5:00 PM. We will provide all training necessary for the safe operation of the train. Email [bangorelks.er@gmail](mailto:bangorelks.er@gmail.com) if you are interested in helping with this project. Training will begin in early June.
